🎾 Indoor Ball vs. Outdoor Ball

Rec center gym wood floors use softer 26-hole indoor balls (Onix Fuse Indoor), while grit-surfaced indoor clubs (Painted Pickle, Dill Dinkers, Ace) use standard 40-hole outdoor balls (Franklin X-40). Keep both in your bag!

👟 Court Shoes Required

Indoor clubs and rec gyms require non-marking court shoes with lateral stability (not running shoes). See our verified spec & shoe guide at **atlpickleballweekly.com/gear/**.
